### PARTNERS IN TORAH

Kollel Menachem has launched a highly successful **partners in Torah** program, in Shevat of this year.

This program offers the shared merit in the constant Torah study of the Kollel Rabbis with the broader community.

Partners can choose to dedicate learning in the Kollel in honour or memory of a loved one, with days like Yahrzeits, birthdays and anniversaries being particularly popular.

The dedication details are prominently displayed on two large screens and signage throughout the duration of the dedication.

For more about this tax deductible donation, call **0422 455 565** or email [shlomo.barber@yeshivahcentre.org](mailto:shlomo.barber@yeshivahcentre.org)

**Do you have a special day coming up? Dedicating a day, week or month of learning is a great way to celebrate!**

Learning in Kollel Menachem for the Month of Tammuz has been dedicated **Annonymously** In loving memory of **Rabbi Yitzchok Dovid Groner**

*"The Kollel brings merit to all, especially to its supporters."  
 -The Lubliner Rebbe*
