Helping Your Kids Learn

**Practical strategies to improve focus,
learning, mood & behaviour**

A 2-part workshop for parents of children ages 6 and up.
Demonstrating practical things that you can do to help your
child thrive inside (and outside) the classroom.

Special focus on learning & behavioural difficulties

Sunday December 30th - Teves 17

Monday December 31st - Teves 18

8:00pm - 9:15pm

The Goldhirsch Hall, 1 A'Beckett Ave, St Kilda East

For men and women (separate seating)

Dr. Arnie Gotfryd, Ph.D. is an educator and scientist. He has over 30 years experience in teaching and Special Ed.

He is the developer of the Maximind Training System, which focuses on brain training exercises and alternative interventions to improve learning. For more info visit:
